

PUMP ERA SDN BHD

“Pump Era offers complete pumping solutions to the building services, general industry, water supply and waste treatment sectors”

Introduction to excellence

Pump Era Sdn Bhd is an engineering trading company specializing in sales and marketing of pumps, pump systems and filtering equipment in Malaysia. Pump Era is committed to provide “Quality products with service” to meet customer requirements in the field of fluid and water engineering. With aims to achieve utmost customer satisfaction, Pump Era offers complete pumping solutions to building services, general industry, water supply, and waste treatment sectors.

Pump Era is the authorized partner dealer for EBARA standard pumps in the central region of Malaysia, offering our customers the full range of genuine EBARA standard pumps. Pump Era also acts as EBARA 3S Centre (Sales, Service, Spare parts), thus providing reliable service for your EBARA pumping needs. On top of that, Pump Era specializes in WATERCO filtering products, SANSO chemical and magnetic seal-less pumps, and FUJIMAC pumps to better serve various market requirements.
